

RUUI RUUI

Hi! I am **RUUI RUI**.
I'm a Picture book Maker.

I grew up in the countryside. As a child, I loved being outdoors, watching small animals and imagining stories about their lives. Over time, adding my own twists to their everyday moments became a habit—and it continues to inspire my work today. You can download my Portfolio [HERE](#).

Help others—without losing yourself.

True help isn't about rushing in—it's about offering support when you are steady on your own feet, with strength and sincerity. Join Mole as he explores how to find a gentle yet firm balance between helping others and taking care of yourself.

POOP!

When life slips out of control—just let it go.

Pangolin cares deeply about appearances—always worrying about what might go wrong.

But when an uncontrollable bodily moment strikes, it feels like the end of the world. The harder he tries to fix it, the worse things become.

Courage isn't about being fearless—it's about trying to make things better.

A small lie can grow big—but honesty can fix it.

Afraid of being blamed, Little Hedgehog tells a small lie—one that unexpectedly sparks a lively, over-the-top party. This is more than a story about making mistakes; it's a heartfelt journey about honesty, apology, and mending relationships.
